### PROJECT: FEED THE NEED

**Hunger can impact anyone , anywhere , anytime Not planning ahead of time , we will fail all the time.**

Members of community have no where to go during stage of hunger / starvation . You should try to fix this fault. While we are actively establishing Food Basket Unit in each neighborhood ( Mohalla) of the country, we need your help to make our efforts go even further!

**Your support is crucial to feed the needy.  
If you're able, you could make**

- A donation to help us achieve this mission
- A "Legacy Gift"

Amplify your impact thru " Legacy Gift" which is ideal way to let your care and compassion for needy people requiring food assistance continue for years to come. This can be done by sponsoring of a Unit which represents smallest block in the food chain.

## FOOD BASKET FOR PEOPLE IN NEED

Ask your family and friends to join in your noble mission of food distribution, where every act of kindness reverberates through the hearts of those in need. Together, we strive to combat hunger's grip through out the country, ensuring that no one faces the agony of an empty stomach alone. Through our dedicated efforts and unwavering commitment, we aim to establish a network of support, reaching every corner of the community with nourishment and hope.

Together, we strive to not only alleviate immediate hunger but also to empower individuals and families for a brighter future. With your participation, we can expand our reach, ensuring that no one in our community has to endure the pangs of an empty stomach. Let's unite in this noble cause, igniting a ripple effect of generosity and solidarity, as we work tirelessly to build a world where every person has access to the basic necessity of food.

**“DOING NOTHING IS NOT AN OPTION”**

Atina has proudly assisted numerous students in mastering these skills, paving the path towards self-sufficiency and empowerment. At Atina Foundation's free stitching classes in Biharsharif, you'll not only learn the craft but also how to turn it into your very own stitching business. Let's sew the seeds of self-reliance and create a future where we are the masters of our own success.

Together, let's stitch our dreams into reality and embrace the freedom of entrepreneurship

## Our Journey of Empowerment Through Stitching

For the past two years, Atina Foundation has been transforming lives in Biharsharif through our free stitching classes. Each batch averages 20 students, all from the local community, who come together to learn a valuable skill that can shape their future.

### Key Highlights:

- Course Duration: 4 months of comprehensive training, absolutely free.
- Schedule: Classes run 6 days a week to ensure consistent learning and practice.
- Accessible to All: Open to women and men, encouraging equal opportunities for all community members.

Our commitment is not just to teach a skill but to create a ripple effect of empowerment. Many of our graduates have started their own stitching work from home, contributing to their household income and uplifting their community.

## Impact and Community Growth

Atina Foundation's stitching program has been a cornerstone of community development, paving the way for economic upliftment and self-reliance. Over the years, numerous participants have leveraged the skills they gained to start their own tailoring or stitching services, directly benefiting their households and neighborhoods.

Join us at Atina Foundation and be a part of this incredible journey of empowerment and community growth. Together, let's create a future where skills lead to self-reliance, and dreams turn into reality.
